

CAREERS & GRADUATE STUDY IN THE BIOLOGICAL SCIENCES

Come to a **free** workshop & career shadowing opportunity that includes:

- Behind the scenes museum tours
- meet researchers, graduate students & grad school reps
 - Catered lunch
 - Early evening social

Who: This opportunity is open to all undergraduate students & recent graduates interested in the biological sciences, & we especially encourage applications from those from underrepresented groups.

Where: Museum of Northern Arizona

When: There are two events, and you can sign up for one or both:

- October 12, 2018: Scientist shadowing experience
- October 13, 2018: One-day workshop

Selection is based solely on a first come first serve basis.
