

Walking Directions from Hilton to Florida Museum of Natural History

Walk out of the main lobby towards Hull Road. Turn right and walk East along Hull Road until you reach SW 34th Street. Proceed across SW 34th Street at the crosswalk and continue East along Hull Road. There will be slight rise in the terrain as you walk past a pond and the Harn Museum of Art on your right. Just past the art museum, you will approach the drive into the Florida Museum of Natural History on your right. Turn right into the drive and walk past the parking lots up to a large traffic circle with a fountain in the center. You will see the Florida Museum of Natural History on the right. The total walking distance is approximately 0.4 miles.
