- Please be ready when the speaker before you is finished
- When you ask questions, please use the microphones so that everyone can hear you – especially the remote participants

Panel & Group Discussions

- Please take **notes** using the Google Docs
 - Links are provided on the Wiki
- Summary:
 - Summarize salient points, next steps, and/or action items
 - Add these to the summary presentation
 - Links provided in the Google Docs

Many thanks to the iDigBio team for making every Summit a great success!

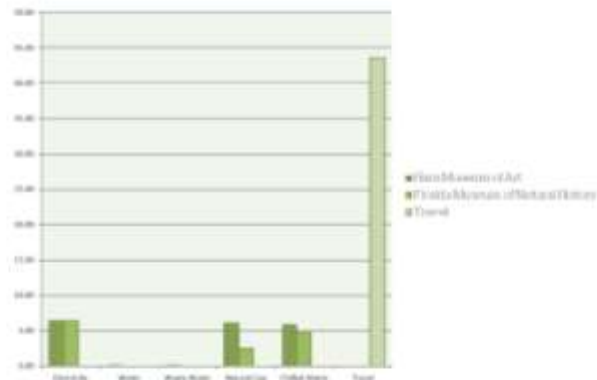

THIS CONFERENCE IS CARBON NEUTRAL

iDigBio has taken responsibility for the environmental impact of this conference by choosing to offset the carbon footprint of the venues' utility consumption and the carbon footprint of attendee travel in partnership with We Are Neutral. Unlike other carbon offset companies, We Are Neutral is a Gainesville, FL based 501(c)3 nonprofit. Our carbon offsets benefit the community right around us.

We Are Neutral thanks iDigBio for helping to restore balance to the planet.

Breakdown of conference carbon emissions:

Offsetting the carbon footprint of this conference is equivalent to:

Thank you and enjoy the Summit!
