

# iDigBio Digital Data Conference Reception

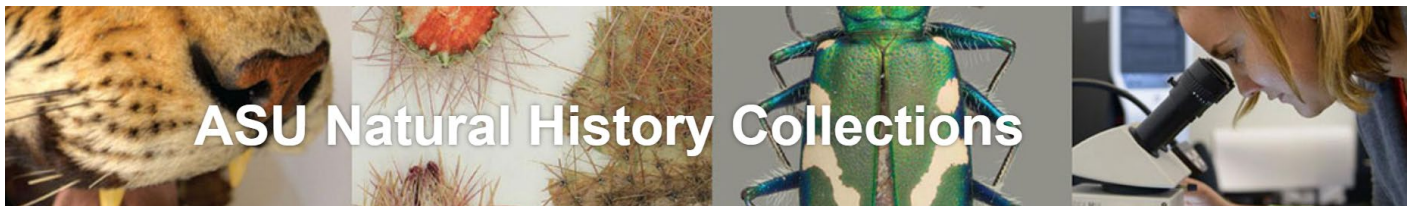

Date  
**Mon, June 5**

Time  
**6:00 – 8:30 p.m.**

Location  
**734 W Alameda Dr  
Tempe, AZ 85282**

Hosted by **ASU's Biodiversity Knowledge Integration Center**

The ASU Natural History Collections are comprised of nine different collections that support the university's teaching, research and public outreach functions. They are supported by the School of Life Sciences. Our collections emphasize flora and fauna from the arid southwest of North America, especially Arizona and Sonora, Mexico. Collectively, our holdings rank among the largest collections of Sonoran desert biota in the world.
