Siobhan Leachman: (12:12) That's my view :-)

Paul Kimberly: (12:12) I was thinking it probably was :-)

Molly Phillips: (12:12) that's awesome! :)

Siobhan Leachman: (12:18) It was great to use the website to participate remotely via twitter

Paul Kimberly: (12:19) Great to know. Thanks.

Siobhan Leachman: (12:29) Noticed that! :-)

Bruce MacFadden: (12:36) What are your long-term goals for WeDigBio?

Jennie Kluse: (12:37) Is Notes From Nature changing and how?

Judy: (12:37) If a site is interested in becoming a host, is it possible to see the online collections that are available for transcription?

Bruce MacFadden: (12:39) OK, thanks!

Jennie Kluse: (12:41) Great! Thanks!

Molly Phillips: (12:41) <https://www.wedigbio.org/>

Larry Jensen (PRI): (12:42) Can you talk about the work required before an event (preparing images) and after the event (validating transcribed data) compared to the amount of work gained from the volunteer transcribers?

Judy: (12:42) Fantastic, thank you!

Molly Phillips: (12:42) <https://www.wedigbio.org/find-a-project>

Kari Lawrence: (12:43) is there an app that people can use to transcribe from their phone?

Molly Phillips: (12:45) We need one! :)

Teresa Mayfield: (12:45) Do all transcription events have to use the online platforms?

Molly Phillips: (12:45) good point... ah

Matt von Konrat: (12:48) I have to run, but this is really really exciting! Thank you so much for providing us with this opportunity. Look forward to 2016!!

celeste prussia: (12:48) For classroom or university settings, did volunteers have to provide laptops or was existing infrastructure used?

Molly Phillips: (12:49) don't forget as you sign off to do the survey! survey link: https://ufl.qualtrics.com/SE/?SID=SV_3ma8VGmBaTakTGZ
