Tracy Teal named new Dryad ED

After an extensive search led by Dryad's Board of Directors, we are proud to announce that **Dr. Tracy Teal will join Dryad as Executive Director beginning February 17, 2020.** She has extensive experience leading a global, community-oriented non-profit, and we're looking forward to working with her towards Dryad's vision of a world where research data is openly available, integrated with the scholarly literature, and routinely re-used to create knowledge.

The Board and staff are extremely pleased that Tracy will be joining Dryad and believe that her extensive experience building communities and growing membership will help Dryad continue its upward trajectory. BOD Vice-Chair Johan Nilsson states:

Thank you
