Advancing data publishing: California Digital Library & Dryad announce partnership

CALIFORNIA DIGITAL LIBRARY (UNIVERSITY OF CALIFORNIA, OFFICE OF THE PRESIDENT)

OAKLAND/May 30, 2018 - University of California's California Digital Library (CDL) and Dryad Digital Repository are formally partnering to address researcher needs and lead an open, community-supported initiative in research data curation and publishing. This partnership is aimed at driving adoption of curated, accessible data publishing in the research community and will leverage the capabilities of both institutions and publishers to better align data publishing within researcher workflows.

Tracy Teal named new Dryad ED

After an extensive search led by Dryad’s Board of Directors, we are proud to announce that Dr. Tracy Teal will join Dryad as Executive Director beginning February 17, 2020. She has extensive experience leading a global, community-oriented non-profit, and we’re looking forward to working with her towards Dryad’s vision of a world where research data is openly available, integrated with the scholarly literature, and routinely re-used to create knowledge.

The Board and staff are extremely pleased that Tracy will be joining Dryad and believe that her extensive experience building communities and growing membership will help Dryad continue its upward trajectory. BOD Vice-Chair Johan Nilsson states:
Thank you
