The screenshot shows a web browser window displaying the 'Tri-Trophic Thematic Network' Crowdsourcing Score Board. The page has a green header with the network's logo and name. Below the header, there are several sections: 'Crowdsourcing Score Board', 'Top Scores', 'Current User's Status', and 'User Stats by Collections'. The 'Top Scores' section lists three users: Karp, Carl (308), Siegel, Joel (294), and Logan, Carolyn (142). The 'Current User's Status' section includes a 'Current Standing' box and a 'Login to View Current Stats' link. The 'User Stats by Collections' section is a table with columns for Collection, Specimen Count, Pending Points, Approved Points, and Open Records.
