Where we've been & where we're going

- Yesterday, we learned about all of the activity going on in ADBC
- This morning, we've been inspired to continue digitizing & collaborating
- This afternoon, we'll dive deeper into areas of common interest

Thinking about the next five years...

- Where do we go from here?
- What does our future look like?
- What are our common goals?
- What are our priorities?
- How do we best work together?
